## INDIGENOUS RECOGNITION MEETING WITH ANDREW BRAGG

Yerin Eleanor Duncan Aboriginal Health Services recently met with Andrew Bragg, the Liberal Senator for NSW, to discuss Indigenous recognition. He was keen to hear the views from the community around the Uluru Statement of the Heart so that he could include those thoughts in his maiden speech in parliament, delivered as he was sworn in. He heard from staff and community from NAISDA, Mingaletta, Gudjagang Ngara li-dhi, Bara Barang and The Barang Regional Alliance.

## ACCORD NEGOTIATIONS

Barang Regional Alliance and Yerin's negotiation teams have been working hard with our State Government colleagues towards an Accord.

Barang advocates for both Commonwealth and State Governments to think and behave differently when working with our local communities.

Find out more about Barang Regional Alliance at [www.barang.org.au/](http://www.barang.org.au/)
